

# Miss O & Miss Uliski's November NEWSLETTER

## What We Are Learning

**Reading & Writing** – We have finished phase 1 of Jolly Phonics! Now we will continue working on SATIPN review and reading words that use those sounds like sat, pin, ant, and so on. We will also be continuing to work on our name recognition through play and exploration. We would love it if you could work on letter sounds and practice our jolly phonics songs at home. Even practice with pointing out things that start with our 6 learnt sounds is great!

**Math** – We are finishing up our colour days with grey day and will be doing some more colourful and rainbow colour work in the upcoming days. Towards the end of the month, we will transition into working with shapes!

**Science** – We have been busy in science learning about all things Fall and how outside changes when the seasons do – with the help of Our Tree! We have also planted our first plant, LETTUCE! We are already seeing some growth as we learn how to take care of it. We will continue to plant more things as the days go by and learn more about plants – like how they grow or what parts they have. AND we have been exploring our 5 senses and how we use them!

**Social & Health** – We have been learning about safety, rules, and Red vs Green choices. As we continue to learn about making green choices, we will also start to learn about who we are, our feelings, and self regulation!

## A Note From The Teacher

Hi All! We have been super busy in Pre-K and K learning so many different things through play and exploration. I am happy to tell you that by the middle of the month I will be teaching full time, still under the guidance of Miss O. It has been such a fun month full of learning for both myself and them and I am excited to continue our journey together!

## Reminders

- \* Please remember to send agendas everyday! We often have important notes, crafts, or other things to send home, and their agendas help make sure everything gets to you safely!
- \* Library is on Day 3, please remember to send your books back. If your child does not bring their books back, they will not be able to pick new ones!
- \* It is ZIPPER season! Please try to practice zipper skills at home with your child! We would also appreciate it if you could label winter gear – mitts, toques, jackets, etc. Thank you!
