Hi everyone. I missed what Katia said about how to share our blog. How do I share it? Where do I share it?

**kaceycakes** Today at 9:04 PM  
There's a link in week 2 to do the social information form  
After that she'll make a website and add all of them there

**kenzie k** Today at 9:05 PM  
great!! Thank you so much 😊

**Alyssa Mozel** Today at 9:05 PM  
Yup. Just fill out that information form for now, and she'll let us know the next steps next class.

**Chassidy** Today at 9:08 PM  
Hey Kenzie, there is a link in the weekly plans that says social media form! Hopefully everyone has been able to find it. 😊

Hey everyone, I had a family emergency come up last night so I missed most of the class. Can someone fill me in on what we are to be doing this week?

**Alyssa Mozel** Yesterday at 10:19 AM  
Take a look at the Weekly Plans document. From what I remember off the top of my head, we have to set up our blogs, make an introductory post, and a learning project post. Don't worry about replying to any other blogs this week. To see how she set up a blog, watch the recording of last class. There may be some readings, but I can't remember.

Thx Alyssa!! This is due by next Tuesday?

**Alyssa Mozel** Yesterday at 10:20 AM  
I'm pretty sure we are supposed to do it before next class.

**robbyne** Yesterday at 10:21 AM  
Perfect!!! Thx! If I already have a webpage and a part set up for blog posts am I able to use that or do I have to create a new webpage?

**Alyssa Mozel** Yesterday at 10:22 AM  
I think you should be able to use it. You just have to create different categories for it. An EDTC 300 and a Learning Project one.

**Miranda Hammett** 09/19/2024 5:36 PM  
I've only done my introductory one, I haven't done the Learning Project one yet. I don't see anything on the Blog hub yet though.

I have done both of my posts, when you go to look on your page you can see them under the categories. I haven't been able to see anyone else's blogs on the hub yet

**Alyssa Mozel** Yesterday at 4:24 PM  
She probably won't start putting the hub together until Monday or Tuesday.

Did Katia ever mention how long the blog posts need to be?

@Carlos M Did Katia ever mention how long the blog posts need to be?

**Alyssa Mozel** 09/26/2024 6:04 AM  
Not specifically. She did say 3-4 good paragraphs for at least an 80 on the whole thing. From looking at the examples we have access to, 500 is like the lowest any of them go, and most don't reach over 1000. I am personally aiming for 750 each time, but, if I do more, I do more.

**Carlos M** 09/26/2024 10:52 AM  
Okay that makes sense, thanks for the reply!
