Hi guys, I'm struggling to post my blog. I can see anything in WordPress though I have a file saved in as a draft. Is there any idea what I'm missing.

OZPENZKI 01/23/2024 9:50 AM

uzma_farhat 01/23/2024 10:01 AM

Do we get any marks after posting weekly blogs?
I still don't see or maybe, not able to locate it. If someone knows?

Inemesit Ekaette 02/13/2024 7:48 PM

Everything will be assessed at the end of the course. I was wondering too at some point then I read through the course syllabus.

uzma_farhat 02/13/2024 7:50 PM

Thanks, I'm not the only one thinking about it!

plant is used to create awareness about sextortion. I was just wondering what it is with the slangs used(wang, boob). The part I find most interesting is the "don't block and delete, first take a screen grab and keep the receipt". I find it very informative not just for kids but adults as well.

uzma_farhat 02/27/2024 10:42 PM

It's very interesting and a polite way to spread awareness about digital citizenship. I enjoyed the part " don't block and delete, and keep the receipt because I used to use that practice when I receive any unexpected calls & messages, before blocking them. I also try to search about their sources. I think we, as educators/parents, should learn as much as possible about digital citizenship to keep us and our youth

You can also preview the post there's a button for that

There's an option in your appearance settings that tells the post to show everything as well and not just the first couple sentences

I had to mess around a bunch, it's not the best but good enough if you don't know programming

uzma_farhat 01/23/2024 10:03 AM

It shows, it's posted but not sure in public or just privately.

OZPENZKI 01/23/2024 10:03 AM

Will found out once professor reviews

uzma_farhat 01/23/2024 10:04 AM

That's what I was thinking about !!
Thanks again!
