

My question is, where do we go to comment on others?

uzma\_farhat 01/21/2024 9:08 AM

I am pretty sure it would be EDTC300 where we can comment but we have post first to comment others post. That what my understanding is.

- EDTC300-Winter 2024 Zoom room
- Attendance
- Syllabus
- Weekly plans **week 3**
- Announcements
- Course community
- Recordings

before next class:

ing blog posts at [edtc300.ca](http://edtc300.ca) and regula

Is anyone else still waiting for student loans to fund this winter semester?

**dallasthody** 01/19/2024 1:58 PM

Mine was funded, but if yours hasn't been then I would contact the Student Loan people, they kind messed mine up last year for winter semester.

Hey everyone! Do we provide comments on both the main blog and personal project, or just main blog?

**uzma\_farhat** 01/18/2024 2:10 PM  
I think we have to provide 3- 5 comments for other blogs, that's what my understanding is.

**uzma\_farhat** 01/18/2024 3:33 PM  
I'm assuming it should be about our classmates blog posts, correct me if I'm wrong.

Nice 😊

Before working as a substitute teacher RPSD, I was an EA. Some of them start with subbing on casually basis or they can get a contract right away as well. Our school board always need sub and you can apply anytime.

Hi, does anyone who uses Edusites know if I can upload a quick 4-5 second video without it being uploaded to YouTube first? I tried to make a little stop motion clip for a step I wanna show in my blog.

**uzma\_farhat** 03/14/2024 3:59 PM

Hi Kylee,  
I used the video compressor to compress my video and uploaded it after.
