

Learning, Family, work, fields

Building Boats  
& Racing them.

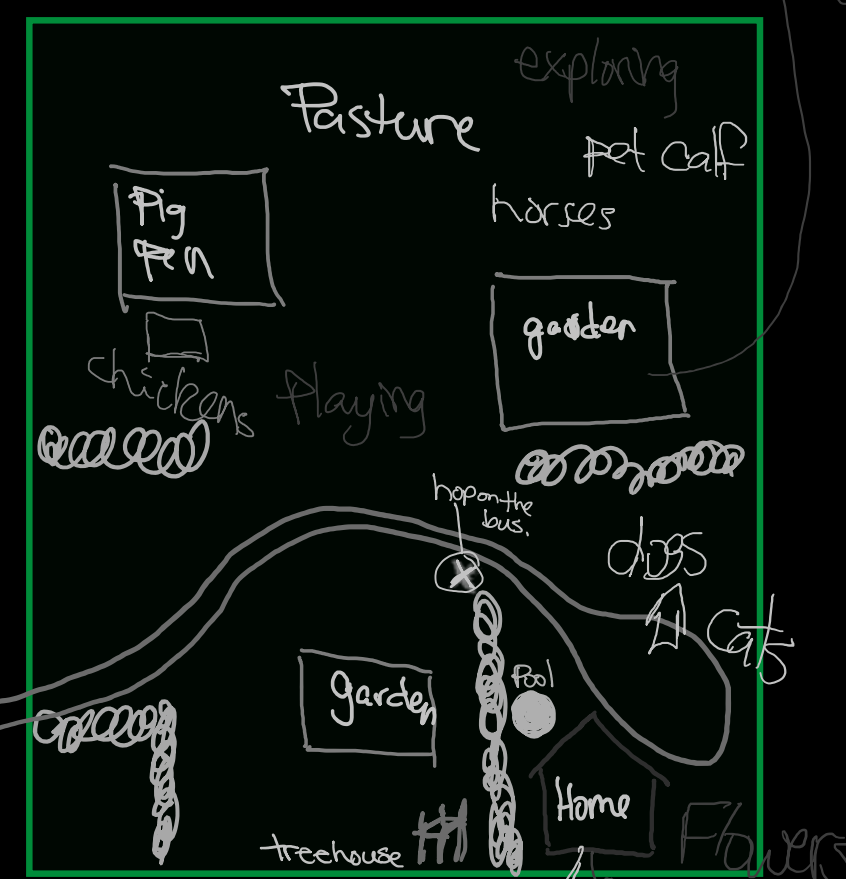

tractor rides w dad  
love of agriculture

Bike Rides

walks  
Lane

Play → love of plants  
Imagination → working w family.  
Creation → process  
→ veg-learn

Language  
French & English

- Family acreage
- Different kinds of play – imagination, roughhousing, creation, structured, etc.
- Science – gardening, agriculture, building boats and having them float, working with animals (health and wellbeing). Gardening with memere, learning a love for flowers and how to care for them (watering, sunlight, fertilizer...)
- Treaty connection – I'm metis, muskoday first nations, one arrow, multicultural environment.
- Education – Ecole St Isidore de Bellevue francophone education. Birch Hills high school English education.
- Family – Mom teacher, Dad agriculture sales rep, brother agriculture sales rep, sister teacher, myself an agronomist and now working towards education. Family has influenced my career interests.
- I am metis – have gone to Batoche many times, it is right by Bellevue. Have attended Batoche days, while attending St Isidore de Bellevue we would go on field trips to Batoche and Fort Carlton. My mom, sister, aunty, and myself have attended SUNTEP.
- Math – gardening learning how to space out the seeds, rows, and how deep to dig the holes. Learning math while playing card games, crib, dice,... Building, helping mom and dad measure and cut wood, learning how to use a tape measure...
